Opening Ceremony

The main highlight of the Working Week was the official opening by The Honorable Donald Tsang, GBM, The Chief Executive of the Hong Kong Special Administrative Region. He was accompanied by the HKIS and FIG Presidents to "dot the eyes of the lions" to mark the opening of the Working Week. Mr LU Xinshe, Vice Minister of the Ministry of Land and Resources and Director General of State Bureau of Surveying and Mapping of the People's Republic of China, gave a congratulatory message, and Mr. Hak CHAN, Chairman of the Organizing Committee gave a welcome message at the opening ceremony.

General Assembly

Forty-five member associations out of 103 members were represented at the first session of the General Assembly on 13 May. Forty-eight member associations were represented at the second session of the Assembly on 17 May. A quorum for each session was obtained.

Major activities of the General Assembly

Membership

The Romanian Associations of Private Surveyors was accepted to membership in FIG. This brought the number of member associations at the end of the General Assembly to 97.

John Hohol, president of FIG Foundation

The Agency for Land Management, Geodesy under the Government of Tajikistan and Statens kartverk (Norwegian Mapping and Cadastre Authority), Norway, were admitted as Affiliate Members. There are now 17 Affiliate Members in FIG.

Bentley Systems (USA) was admitted as a Corporate Member. The membership of Kampsax A/S is now under COWI A/S. Corporate Members now total 33.

Five new Academic Members have joined FIG. They include School of Public Administration, Renmin University of China, Department of Land & Real Estate Management (China P. R.), ECAM - Haute Ecole Leonard de Vinci, Département Construction (Belgium), University of Liege, Unit of Geomatics (Belgium), National Water Resource Center, Survey Research Institute, Egypt, and State University of Land Use Planning (Russian Federation). This brings the number of academic members to 85.

Mr. Samuel Nguema Ondo Obiang from Gabon was accepted as a new correspondent. Prof. Dr.-Ing. Holger Magel, immediate Past President of FIG, was appointed as an Honorary President of FIG.

Reports from Permanent Institutions

The FIG Multi-lingual Dictionary Board

A motion was made and accepted to close the FIG Multi-lingual Dictionary Board, one of the three permanent institutions of FIG, because the work of the dictionary board has come to an end after 35 years. The FIG Multi-lingual Dictionary Board is therefore no longer an FIG permanent institution.

International Office of Cadastre and Land Records (Office International du Cadastre et du Régime Foncier) OICRF

Prof. Paul van der Molen, Director of OICRF gave a presentation on OICRF activities at the meeting. His report was accepted by the General Assembly.

International Institution for the History of Surveying and Measurement, Permanent Institution of FIG

Written report of the IIHSM was circulated before and adopted by the General Assembly.

Report of the President of the FIG Foundation

Mr. John Hohol, President of the ACSM FIG Foundation gave a report on the activities of the Foundation between October 2006

Stig Enemark, current FIG president, addressing the Presidents' meeting

and May 2007, addressing the FIG members to promote the Foundation and its agenda to their members. The report was adopted by the General Assembly.

FIG Work Plan 2007-2010

The Council has prepared the FIG Council Work Plan for 2007-2010. Together with the FIG Aim, Objectives, and Mission Statement and Commission Work Plans, the Council Work Plan will form the FIG Work Plan for the next four years. President Stig Enemark presented the Work Plan at the meeting.

Future Working Weeks

The General Assembly selected Rome, Italy, as the venue for the 2012 FIG Working Week.

Future sessions of the FIG General Assembly will be held at Stockholm, Sweden (2008), Eilat, Israel (2009), Sydney, Australia (2010), Marrakech, Morocco (2011), and Rome, Italy (2012).

Changes to statutes and Internal Rules

Changes were made revising the process for nominations to FIG offices. These led to clarification of terms of office and certain "housekeeping" matters.

Presidents' Meeting

Forty-nine people attended this Presidents' Meeting. Among the attendees were thirty-eight presidents or leaders of delegations. At the meeting, relations between member associations and FIG were discussed, as well as ways of reaching the individual members better. Additional issues raised

by the President were FIG contribution to the UN Millennium Development Goals and ideas for the implementation of the FIG Work Plan 2007-2010. Members were able to raise any actual issues of their interest.

Report of the 6th FIG Regional Conference in San José, Costa Rica

Mr. Freddy Bolaños from CFIA, Costa Rica, gave the General Assembly a presentation on the arrangements of the 6th FIG Regional Conference that will be held in San José, Costa Rica, 12-15 November 2007. The web site of the conference is www.fig.net/costarica.

Commission Meetings

Each of the 10 FIG Commissions conducted meetings and contributed papers to the technical sessions. Details will be in future issues of the FIG Reporter.

Closing Ceremony

The President formally closed the 30th General Assembly of FIG. At the closing ceremony, the FIG banner was handed over by Mr. Raymond Chan, President of HKIS, and Mr. Hak Chan, Chair of the LOC FIG 2007, to Mr. Svante Astermo, President of SLF and to Dr. Maria Ulfvarson Östlund, SLF. The FIG Working Week 2008 will be held in Stockholm, Sweden, 14-19 June 2008.

Technical Tours

Four technical tours were organized, including a visit to the Land Information Centre and Geodetic Survey Section of the Lands Department, Hydrographic Office of the Marine Department, and HK-Shenzhen Western Corridor of the Highways Department.

Post Conference Tour and Social Events

The post conference tour was a visit to the Macau Cartography and Cadastre Bureau. FIG always organizes memorable social events, and the 2007 FIG Working Week was no exception.

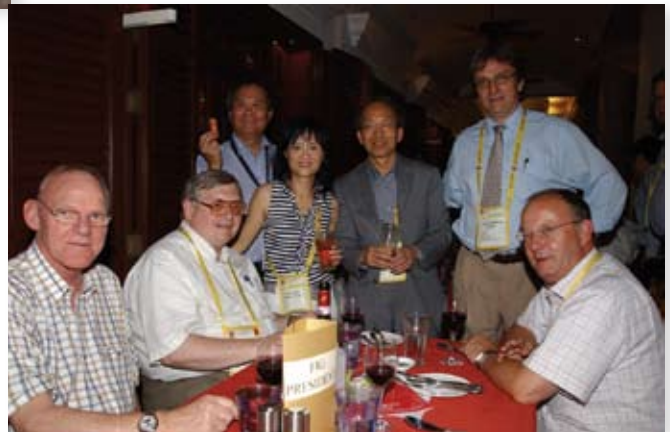

The Chinese Evening and FIG Foundation Dinner

The function was held in a scenic spot at the south side of the Hong Kong Island and was attended by 366 delegates. The program for the evening was fully packed with fascinating attractions. Chief among them were the Police Pipes playing a welcoming tune to the delegates upon arrival, followed by a superb performance by the world-renowned Hong Kong Police Band and Pipes. There was also an informative display of Housing Department's work; speeches by Mr Bay Wong, Assistant Director of Housing Department, Ms. Cissy Tsang, General

Manager of the Link Management Ltd, and Mr. John Hohol, FIG Foundation President; tour of the public housing estate, Chinese temple, Maritime Museum, and Murray House; Chinese hand-craft performances, and, finally, a buffet dinner in the restaurants with plenty of delicious international cuisine while enjoying the panoramic sea view.

Gala Dinner

The Gala Dinner was held in the spacious and superbly decorated Grand Ballroom at the conference venue. Mr Michael Suen, the former Secretary for Housing, Planning and Lands of the HK SAR Government, was the guest of honor. The meal was an authentic
